

## The Jim Armstrong Four Way Test Speech Contest

To: All Rotary District 7690 Clubs

The Jim Armstrong Four Way Test Speech Contest will take place on Saturday, February 28, 2026. In case of inclement weather, the contest will take place the following Saturday, March 7, 2026. Each club will also receive an email announcement. Each club is encouraged to invite high school students from their area of service to participate and to select one to represent the club at the event which will be held at Randolph Community College in Asheboro. **If necessary, clubs in the same school district should coordinate with each other to decide which club is responsible for contacting which schools in that area.** This is an opportunity for high school students in grades 9 through 12 to develop their public speaking and leadership skills while increasing awareness of Rotary in our communities.

High school speech contestants are asked to present a six-minute persuasive talk, directed toward their peers, to promote high ethical standards in daily life. The speech should clearly mention the application of Rotary's Four Way Test to facilitate positive and ethical behavior in youth and teens. If applicable, they may incorporate Rotary's theme for the current year into their speech.

Contestants' speeches will be judged for content and presentation. The content should be focused, clear, and accurate, and should be delivered in a logical, organized, and persuasive manner. Articulation, body language, creativity, and effectiveness in engaging peers in the message of ethical choices and behavior relating to the Rotary's Four-Way Test will be important criteria in judging the presentations.

District prizes will be:

- \$1000 for first place
- \$500 for second place
- \$250 for third place
- \$150 for fourth place
- \$100 for fifth place

Additionally, the winner will be invited to present his or her presentation at our District Conference, to be held in Atlantic Beach, NC on April 23 – April 26, 2026.
